To whom it may concern

Subject: Permission requests for using figures

Dear person in charge,

On behalf of the list of colleagues listed below, I would like to ask you if we have the rights to use with proper reference, some of the figures used in the following published articles:

1. in **JHEP 0704:003,2007**, “ *Physics potential of the CERN-MEMPHYS neutrino oscillation project*”, Campagne, J. E. and Maltoni, M. and Mezzetto, M. and Schwetz, T. (7 figures);
2. in **JCAP 0501:001,2005**, “*Indirect detection of dark matter WIMPs in a Liquid Argon TPC*”, Bueno, A. and Cid, R. and Navas-Concha, S. and Hooper, D. and Weiler, T. J. (1 figure);
3. in **JHEP 0611:032,2006**, “*Neutrino oscillation physics at an upgraded CNGS with large next generation liquid argon TPC detectors*”, Merzaglia, A. and Rubbia, A. (2 figures);
4. in **JHEP 04 (2007) 041**, “*Nucleon decay searches with large liquid argon TPC detectors at shallow depths: Atmospheric neutrinos and cosmogenic backgrounds*”, Bueno, A et al. (1 figure).

The materials will be used to illustrate the article (~30p in English) on “*the Large underground, liquid based detectors for astro-particle physics in Europe: scientific case*”

and prospects” (arXiv:0705.0116) that we intend to submit to **Journal of Cosmology and Astroparticle Physics**.

Sincerely yours,

Dr. Jean-Eric Campagne
