Subject: Permission requests for using figures

Dear person in charge,

On behalf of the list of colleagues listed below, I would like to ask you if we have the rights to use with proper reference, some of the figures used in the following published articles:

in **JCAP 0501:001,2005**, “*Indirect detection of dark matter WIMPs in a Liquid Argon TPC*”, Bueno, A. and Cid, R. and Navas-Concha, S. and Hooper, D. and Weiler, T. J. (Fig.6);

The materials will be used to illustrate the article (~30p in English) on “*the Large underground, liquid based detectors for astro-particle physics in Europe: scientific case and prospects*” (arXiv:0705.0116) that we intend to submit to **Journal of Cosmology and Astroparticle Physics**.

Sincerely yours,

Dr. Jean-Eric Campagne
